Tony's has been here serving our awesome Flagler Beach community for more than a decade now! Our mission is simple, New York pizza done right! Have you ever heard (or said) this before, "I'm from New York so I know good pizza"? Trust me, we have too and we got you covered!

In 2010 Paulie began work at Tony's as a delivery driver. In 2013 Paulie took over as owner and never looked back, establishing Tony's and other locations as "go to pizza joints" within their communities. Fast forward a decade, Paulie, his family and his talented staff realize just how important every customer is and strives to bring them a quality experience from start to finish!
